Remarks

Brand new, energy-efficient home available! The second bedroom provides guests with their own private bath located away from the primary suite. Umber cabinets with shaded grey granite countertops, wood-look tile flooring with multi-tone carpet in our Elemental Package. A new phase is now selling at The Preserve at Province. Spend mornings on the putting green and afternoons next to the resort style pool in this 55+ gated community. Groundbreaking energy efficiency is also built seamlessly into every home so you can spend less on utility bills and mMore on the things that matter.
